

2020 Sponsor Health and Safety Guidelines

As an organization with a vision of *zero incidents through collaboration*, we have an obligation to maintain a high safety standard at this event and make every effort to ensure the health and wellbeing of all attendees and staff. Please remember to social distance whenever possible, and to wear a mask when you are in close proximity of another person.

If you, or anyone from your organization is not feeling well or experiencing *any* symptoms of sickness, please stay home.

SafeBuild Alliance, in coordination with Langdon Farms Golf Course, is working to make the 2020 SafeBuild Alliance Annual Golf Tournament a safe and fun event.

We have developed the following guidelines to provide sponsors a successful opportunity to market their company and products.

1. Sponsors should minimize all touch points.
2. Sponsors may have one table and up to two representatives at their sponsored hole or area.
3. SafeBuild will provide disposable gloves and hand sanitizer at tables.
4. Masks to be worn by sponsor representatives when interacting with golfers and when a six feet distance cannot be maintained.
5. If there are giveaways, sponsors shall hand items directly to golfers. Give away items may not be left at an unattended table. Disposable gloves shall be worn when handing out items to golfers.
6. Please refrain from shaking hands or other personal contact with golfers.

Be safe, have fun, and thank you for supporting SafeBuild Alliance!
