

ORDER FORM

This is an order form for Mental Health Awareness and Suicide Prevention magnets, hardhat stickers and wallet cards in both English and Spanish. These items are available free of charge as a result of an OSHA grant awarded to SafeBuild Alliance. The grant is an opportunity for SafeBuild Alliance to provide awareness education, training and support material to help raise awareness about mental health issues and to prevent suicide. Feel free to order enough for your workforce and/or project.

Tool Box talks and support material to help you start the conversation with your workforce are available at www.safebuildalliance.com/resources/mental-health-suicide-prevention.
